

**AMENDMENTS TO THE ABSTRACT**

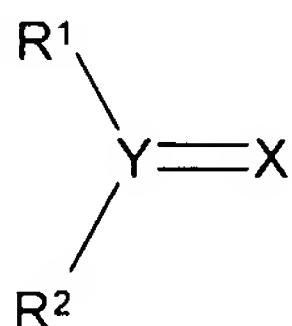

Please insert the following paragraph(s), after page 28, as the abstract in the currently filed specification:

**ABSTRACT**

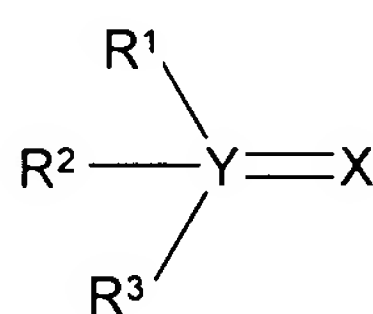

The present invention relates to the improvement of organic electronic devices, in particular fluorescent electroluminescent devices, by using electron-transport materials of the formula (1) to (4) as shown in scheme 1

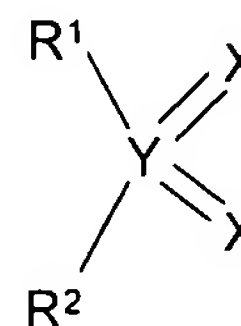

Formula (1)

Formula (2)

Formula (3)

Formula (4)

(Scheme 1)
